### **Safeguarding Statement:**

"Safeguarding is Everyone's Business"

We recognise our moral and statutory responsibility to safeguard and promote the welfare of all children. We make every effort to provide an environment in which children and adults feel safe, secure, valued, and respected. We want children and adults to feel confident to talk if they are worried, believing they will be effectively listened to.

The purpose of this policy is to provide staff and Joanna Joannou (Managing Director) with the framework they need to keep children safe and secure in our setting. The policy also informs parents and carers how we will safeguard their children whilst they are in our care.

Report concerns that a child may be at risk of radicalisation or involvement in terrorism, and use the <a href="Prevent referral form">Prevent form</a>. Whilst the activities of the DSL can be delegated to appropriately trained deputies, the ultimate lead responsibility for Child Protection, as set out above, remains with the DSL, this lead responsibility should not be delegated.

In the absence of the DSL, the DDSL should assume the responsibility to ensure the ongoing safety and protection of children. In the event of the long-term absence of the DSL the DDSL will assume all of the functions of the DSL.
